CORRESPONDENT'S DESK

**“Education is the passport to the future,
for tomorrow belongs to those who prepare for its today.”**

On behalf of our outstanding faculty and staff, it is my great privilege to welcome you to the exciting world of learning. My mission as a correspondent of my school is to provide Hi-Tech CBSE education in an environment most congenial and innovating, where virtue is the strongest shield.

We focus on the development of each individual's self-worth. This will be achieved through establishing a positive school climate by recruiting and retaining qualified teachers, promoting civic involvement, maintaining a safe and orderly learning environment. The importance of academic development is not an obsession but a necessity to enter the playing field of a globally competitive economy. The goal of our school is to inspire the young to interpret the world in the distinctive ways that characterize the thinking of experienced disciplines – historians, scientists, mathematicians and artists.

In order for each student to achieve his/her dreams, we have obligated ourselves to provide an academic and social environment which encourages and enhances the development of well-rounded students in academics, extracurricular activities and social etiquette. We recognize that our strongest factor for success depends upon the relationship between school, home and community. We invite parents to become involved with the programs that promote the learning process of Akshara Public (CBSE) School, Veda sandur, Dindigul (Dt).

PRESIDENT | SECRETARY | TREASURER

High expectations are the indicators of success. Education is shared commitment among dedicated promoters, sincere teachers, motivated students and co-operative parents. Deliberate rational analysis of positive thought patterns combined with honesty and discipline in tune with the present trend of technology is the prime aspiration of Akshara. Akshara knows the past, imagines the future ... and delivers in the present.

While everyone says
" I like you....but', We say " but.....I like you"

Shri. K. NAGARAJAN B.A., DECE
President

Learning is a never ending process. And it has to be inculcated in young minds at the right time in the right way. And we are at Akshara Public CBSE strongly believe in this. And so, we have created a wide platform for our children to explore the different aspects of learning through various dimensions. Our children enjoy this methodology and are very confident and bold enough to tackle any situation. According to our motto "Learn now Lead Tomorrow". We mould our children to be the best, wherever they go.

Shri. P. VIMALI M.Com., B.Ed.,
Secretary

"Our vision of Akshara Public (CBSE) School is to offer value-based education to our students led by the four prime values of Courage, Compassion, Equality and Integrity but also an amazingly kind, affectionate and humble human being ever ready to lend a hand of support to anyone near or far, family or unknown to him.

Right from the inception, our stress was on a design that epitomizes our vision of grooming children as well-rounded future leaders through all-round development across education, extra-curricular activities and sports. We also wanted the infrastructure to be seen as a confidence building measure to assure all parents that their children would only get the very best at Akshara Public (CBSE) School.

Shri. V. PANDIAN, M.Com., PGDCA.,
Trust Treasurer

Message from **PRINCIPAL'S DESK**

“The roots of education are bitter, but the fruit is sweet.”

It is unequivocal that the role of a school today, is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, effective analyzers and productive members of an ever changing global society. Therefore Akshara Public (CBSE) School, we lay special emphasis on curricular and co-curricular activities, providing the learners ample opportunities to become leaders in their respective fields.

The teachers of our school are motivated to provide an environment in the school for enquiry and discovery, where students are encouraged to be creative and curious. While we give priority for academic excellence, the school also prepares the students for life, to face the future challenges by implementing life skills program.

We relentlessly work to develop lofty morals, high compassion and a sense of discipline and confident that Akshara will always be a beacon of light, guiding the destiny of its student and radiating kindness and compassion, pursuing excellence and fulfilling the motto, “Learn Today...Lead Tomorrow...”

I would also like to thank the parents of our students for having bestowed their faith and confidence in us. Let us all resolve to “Empower to Transform”.

“May almighty bless all of us to achieve success here and thereafter”.

Shri. M. HARI HARA SUTHAN,
M.A., B.Ed., M.L.I.Sc., MBA (Edu.Mang)

The transfer Certificate will be issued only after clearance of all dues to the school. However, no fee paid will be refunded under any circumstances.

Conclusion

Akshara is interested in giving the best learning environment to our learners. This is possible only with support and whole hearted co-operation of the parents. Parents are expected to respond the various circulars and information sent to them from the school positively and meet the Principal/Teachers whenever asked to. It is also important that the parents attend the periodical Parent – Teacher Meeting. Home is the first school for children and school is their second home. Parents are the first teachers and Teachers are their second Parents of a child. A child's life is shaped by both; the healthier and cooperation between the two, and more fruitful for their efforts.
